IRRESPECTFULLY REQUEST: I would like an explanation
 why I can't have my vegetarian diet. I
 have been a vegetarian for 20 years.

Inmate Request Reply – Inmate Frets, I will check in to your allegations. I will check with our Medical Provider to see if there is a legitimate reason for you to be on a vegetarian diet. If there is not you eat what the rest of the inmate population eats.

CCCF #: 23-0057

Grievance #: 23-0018

Grievance Response:

I have read your grievance and I will offer you my thoughts. As there has been some instances in regards to special diets, it is required that your clergy representative to physically come into the facility with the appropriate credentials and request this IN WRITING that it is deemed religiously necessary that your diet is to be changed to a vegetarian diet with reason as well. This is the procedure to start with.

If you are not satisfied with my response, you may appeal my response to the Lieutenants/Assistant Deputy Wardens.

TO: All Supervisors

DATE: Monday, March 6, 2023

RE: Ramadan

Ramadan is the ninth month of the Islamic calendar, observed by Muslims worldwide as a month of fasting (sawm), prayer, reflection and community.

Ramadan is to run from Wednesday 3/22/2023 at 1700 hours (5:00pm) and it ends on evening of 4/21/2023.

Those inmates of the Muslim faith must inform us of their desire to observe Ramadan by 3/15/2023 so arrangements can be made with the institution's kitchen.

You must have identified as being of the Muslims when booked to be considered.

TO: WARDEN Younkin	DATE: 03-08-23
FROM INMATE: Joshua Joshua Frets	UNIT: MAK-10

I RESPECTFULLY REQUEST: Is there a reason why I have to have a Clergy member come to this institution to prove I am a vegetarian for Religious Reasons or to receive a special diet. ~~Not eating (Non-meat)~~ Yet in your Memorandum

Inmate Request Reply – Inmate Frets the onus or responsibility to prove you are on a vegetarian diet is on you. I am not approving any special diet without proof. When I say proof, I will need more than your say so. Are you on a vegetarian diet for medical reasons? If so we can contact your doctor? You will be required to sign a release of information if that is the case. If you're on a vegetarian diet because you don't like jail food or meat, well then you are out of luck. I have no idea where the Clergymen requirement came from unless you are claiming you don't eat meat for religious reasons. If that is the case then please have your Clergymen reach out to me and verify that your religion prohibits the consuming of meat. When booked you told staff you were a Catholic. I'm not aware of any form of the Catholic religion where you can't eat meat except during Lent and on Good Friday. Like I said above, the responsibility to validate your vegetarian diet is on you.
